

# Ring

This ring matches the Crystal Crowns bracelet found in Step by Step

## Materials

- 8 pcs 4 mm bicones
- 5 pcs 4 mm fire polished beads
- 11<sup>o</sup> seed beads
- 2 feet .010 illusion cord

## Directions

Begin at the star and string on fire polished bead on the cord, bringing the cord to the middle. Following the diagram, string the rest of the bicones and fire polished beads. You will notice that the beads fold over to create two layers.

Now add the seed beads. Create as many loops as needed for your ring. Tie tails and bury the tails in a few beads.
